

Date: 2025-04-01 **Author:** LSI TMP#: 040125A
Project: Beare Road TS-21 - "Quartz Productions"

Comments:

- Beare Road to be closed from Steeles Avenue East to Plug Hat Road
- Closure to accommodate production with on-location filming
- Northbound traffic on Beare Road to be detoured around closure via Reesor Road as shown below
- Left turn lane on Steeles Avenue East at Beare Road to be closed as per OTM Book 7 Layout UI-12
- Closure equipment must be set up and maintained by Certified OTM Book 7 Crew as per OTM Book 7 Layout TS-21
- Closure to be managed by Certified OTM Book 7 TCP's and/or PDO's
- Emergency access must be maintained at all times throughout duration of closure
- Local access to be maintained when production is not filming and when road is safe/clear
- Beare Road: 50km/h or less / Low-Volume Road
- Steeles Avenue East: 60km/h / High-Volume Road
- May 14, 2025 - 05:00am to 09:00pm
