

Index

Design Criteria

Engineering Submissions

1. First Submission Requirements
2. Second and Subsequent Submission Requirements
3. All Engineering Plans
4. General Plan of Services
5. Lot Grading Plans
6. Storm Drainage Area Plan
7. Plan and Profiles
8. Utility Coordination Plan
9. Traffic Signage and Pavement Marking Plan
10. Erosion & Sediment Control Plan
11. Construction Management Plan
12. Final Engineering Submission
13. Inspections and As-constructed Record Drawings

Roads

1. General Provisions
2. Geometric Design
3. Concrete Curb and Gutter
4. Pedestrian Corridors
5. Driveways
6. Boulevards
7. Cul-de-sacs
8. Maintenance Access Roads

Storm Sewers and Appurtenances

1. General Provisions
2. Sewer Design
3. Maintenance Holes
4. Catch Basins
5. Storm Service Connections
6. Orifice Tubes
7. Major Overland Flow and Surface Ponding
8. Easements

Lot Grading

1. General Provisions
2. Front Yards
3. Residential Driveways
4. Side Yards
5. Rear Yards
6. Drainage Swales
7. Retaining Walls

Lot Grading Plans and Individual Lot Grading Plans

Standard Drawings

Series	Title
100	Maintenance Holes
200	Catch Basins
300	Headwall & Outfall Grating
400	Bedding & Restoration
500	Storm Sewer Design
600	Curb & Sidewalk
700	Geometric Design Details
800	Sign, Fencing & Erosion Control Details
900	Mailbox Locations
1000	Stormwater Management
1100	Landscaping
1200	Streetlighting

Appendices

Appendix	Title
Appendix A	Fill & Topsoil Disturbance By-law
Appendix B	Standard Erosion and Sediment Control Notes
Appendix C	Fence By-law
Appendix D	Noise By-law
Appendix E	Tree Protection By-law
Appendix F	Boulevard Tree Planting Program
Appendix G	TRCA Planting Guideline
Appendix H	Sample Lot Grading Certificate
Appendix I	Sample Lot Grading Design Schemes
Appendix J	Fire Services Policy
