Locate and visit a series of whimsical fairy, elf and gnome homes scattered in the village and forest and learn about the history and folklore of the magical creatures of the forest. Pickering's Fairy Tour is an opportunity to see their world up close. This event runs during the day in October and is lit up evenings in November. Book a ticket for your group of up to six people. Only one ticket is required per group. Please note this walking tour includes gravel pathways and uneven ground. The tour takes place outdoors and will only be rescheduled in the instance of dangerous weather. If you are looking to unleash your inner fairy, you can also register separately for the Fairy Workshop. Tickets are timed entry. You may arrive between the times listed on your registration. Tours start every 5 minutes. The tour is between 45 minutes and 1 hour in length.
