

Parent/Guardian Session Letter – Specialty Arts Camp

March Break: March 10, 2025 – March 14, 2025

Welcome to Specialty Arts Camp! We are thrilled to have your child join us for an exciting, active, and engaging camp experience. Whether it's their first time at camp or they're returning for another adventure, we are dedicated to providing a safe, inclusive, and memorable environment for all campers. Please read the attached information carefully and do not hesitate to contact us if you have any questions or concerns.

Camp Details

The camp day runs from 9:00 am - 4:00 pm (daily).

Location: Chestnut Hills Developments Recreation Complex - 1867 Valley Farm Rd, Pickering, Pottery Studio.

Meet Your Camp Director

Hi, I am Reza! A lifelong clay enthusiast, I have been teaching art for 32 years! I've been an academic lecturer, art director, and even written six books—but my favorite thing is getting my hands messy and imaginations soaring in the studio with kids!

Camper Pick-Up/Drop-Off Procedures

Specialty Arts Camp takes place in the **Pottery Studio** at **Chestnut Hill Developments Recreation Complex (CHDRC)**.

For the safety of all campers, please **drop off and pick up your child at the Pottery Studio**. Be sure to **check in and out with our designated Pick-up/Drop-off counselor** each day.

Anyone that you have designated as an alternate pick-up contact, will be required

*For safety reasons, any alternate pick-up person you designate will be required to show **photo ID** to camp staff before your child is released into their care. Please make sure they are aware of this protocol and that your child is picked up **on time**.*

Absenteeism / Safe Arrivals

If you know in advance that your child will be absent or late, please email us at camps@pickering.ca

If a camper is absent without prior notification, we will attempt to contact the parents.

What To Expect:

Unleash your creativity at our Specialty Arts Camp! Campers will dive into the world of clay, crafting unique projects that reflect their personal style. They'll also master the art of painting, creating stunning masterpieces to proudly display at home.

What to Bring to Camp

- **Clothing:** Campers should wear comfortable clothes suitable for activities. Please do not send valuables, as campers are responsible for their own belongings. Remember to label all items (e.g., lunch bags, extra clothes, coats) to help prevent mix-ups. Indoor shoes (running shoes are recommended) are also required.
- Campers may be outside during the camp day so please pack appropriate clothing for outside play.
- **Lunch and Snacks:** Campers must bring a **nut-free** lunch each day. Please pack lunch in non-breakable containers (no glass). Campers will have two snack breaks and lunchtime, so extra snacks are encouraged.

Allergy Notice:

Please be sensitive to any food allergies that may be brought to your attention (i.e. tree nut allergies that can be life threatening). For this reason, please do not pack tree nuts, tree nut products, or any products containing traces of nuts in your child's lunch for camp. If staff are unsure of snacks (i.e. granola bars), Campers will be asked not to eat them at camp. Fruit is always a healthy and allergy safe snack! Please feel free to send a copy of the ingredients of any items we may be unsure of (i.e. cookies). Your cooperation is greatly appreciated.

- **Water Bottle:** Please pack a **reusable water bottle**. There are water fill stations available at camp to keep your child hydrated throughout the day, as they may be outside.

Swimming

Campers will swim on Thursday, March 13, 2025, in the indoor pool at the CHDRC from 2:00 pm – 3:00 pm. Please ensure your child brings a towel and bathing suit in a

separate bag. Campers who choose not to swim will be participating in other activities in the Pottery Studio.

Pool Guidelines:

- **Campers (8 years – 12 years): A 4:1 counselor-to-camper ratio** applies to campers 8 and up.

Deep End Swim Test:

Campers aged 8 - 9 may take a swim test to swim in the deep end without a life jacket. To pass, they must swim 10 meters and tread water for 30 seconds. If they do not pass the test, they will be required to wear a life jacket for the remainder of the week. Even if they pass, a counselor must accompany them in the deep end to maintain the 4:1 ratio, so access to the deep end may be limited. No exceptions and the lifeguards decision is final. We also must always adhere to a 4:1 ratio so therefore your child may not be able to swim in the deep end of the large pool at all times.
